Food supplement with **glutamine**

Glutamine

L-arginine

NAC
N-acetyl-L-cysteine

Alpha lipoic acid

4Life Transfer Factor™ Formula[1]

4LIFE TRANSFER FACTOR™ **GLUTAMINE PRIME™**

(1) Made from colostrum

GLUTAMINE

4LIFE TRANSFER FACTOR™
GLUTAMINE PRIME™

- **Do you focus on keeping your muscle mass?**
- **Do you need to boost the antioxidant mechanisms of your body?**

When we exercise, our muscle fibers suffer and a certain amount of protein —which is valuable to our muscles— gets destroyed.

What Glutamine Prime offers
L-glutamine and arginine are two amino acids with muscle-maintenance effects.

Our body generates lipoic acid and N-acetylcysteine, which create energy and have antioxidant mechanisms.

INGREDIENTS:
L-glutamine, stabilizer: gelatin (capsule), L-arginine, N-acetyl-L-cysteine, anti-caking agent: microcrystalline cellulose, alpha lipoic acid, stabilizer: water, anti-caking agent: stearic acid, and colostrum (**milk**).

120
CAPSULES

77,64 g
NET WEIGHT

DIRECTIONS:
Take four (4) capsules daily with 240 ml of water. For best results, take 2 capsules in the morning and 2 capsules in the evening.

NUTRITIONAL INFORMATION:
Daily dose: two (4) capsules
Daily doses per container: 30

Amount per daily dose	
L-glutamine	1,600 mg
L-arginine	240 mg
N-acetyl-L-cysteine	160 mg
